ONE UNIQUE SETTING
DESERVES ANOTHER

EARTH, SKY AND YOU. A GOLF DREAM REALIZED.

THE BEAUTY WAS
HERE LONG BEFORE
THE GOLF COURSE
WAS BUILT. WE ONLY
GAVE PEOPLE AN
OPPORTUNITY TO
FEEL ITS MAJESTY.

"The background
of the mountains is
spectacular and unlike
anything I've ever
worked with before.
The other attraction
is the absence of
housing.

Once you get to
the first tee there's
nothing to distract
you from the golf."

-Tom Doak
